Pilbara and Kimberley Project

- Since 2019, Be You has partnered with **Aboriginal Medical Services (AMS)** to support schools in the Pilbara and Kimberley regions of Western Australia in response to high suicide rates.
- After several months of community consultation, the Be You Kimberley and Pilbara team are developing:
 - A **Cultural Actions Catalogue** e-book to support the translation of Be You for Aboriginal communities.
 - **Feeling Cards** to support shared language around emotions within communities.
- The plan for the Pilbara and Kimberley schools to transition to core Be You by 31 July 2021.
- Knowledge translation plan, so the Pilbara Kimberley learnings are embedded in Be You.

Interest in educator wellbeing grows

- Be You Virtual Conference 2021: *Wellbeing: You, Me, Us*
- Themes: Educator wellbeing and inclusive practices
- 24 & 25 March 2021
- Nationally:
 - Over 5,000 registrations
 - Nearly 1,500 attendees
 - 90% found the conference to be either very useful or useful

- Session recordings are available on the [Be You website](#)

“Amazing PD, highly valuable”

- WA Virtual Conference attendee

Online interactive sessions in demand

Attendance tripled nationally compared to the same period last year (Sep 2020 – Mar 2021)

Making an impact

Educators using Be You feel more confident to:

- **Recognise the signs and symptoms** of different mental health issues
- **Support children and young people** experiencing poor mental health
- **Initiate a conversation** about mental health with the child or young person and their family

Compared to educators that aren't using Be You.*
